1. [Click here to watch circle time with Jessica](#)
2. Choose an activity to do with your child (click on the link)
 - See attached "Honey Comb" art activity from Davana
 - [The Very Busy Spider in ASL](#)
 - Paint with Honey (in the bath) and allow your child to get sticky
 - Print and cut out the bee props and role play the poem or the super simple song "[Here is the Beehive](#)". Children and family members can make a little fort and pretend to be bees hiding in their hive. Then you can play a listening game by counting for your child to come out or call their name, or pretend you are looking for them and then say "bees come out come out wherever you are I want some honey and then try to playfully capture them when they come out."

Kelli's OT Corner

Happy Spring Everyone,
Here are some fun spring activities that enhance sensory regulation, and fine motor skills.

Ingredients for Honey Playdough:

- 2 c. flour
- 3/4 c. salt
- 1 tbsp olive oil
- 1 c. water
- 1/4 c. honey
- food coloring (optional)

How to Make Honey Playdough:

1. Combine all ingredients except food coloring in a large mixing bowl. Mix until well combined.
2. Lightly flour your work surface.
3. Place the dough on the floured surface, and knead for a few minutes, until the dough is soft and pliable, but no longer sticky.
4. Separate the dough into 3 equal amounts, and add 10+ drops of food coloring to each ball of dough. Knead the color into the dough. Keep adding food coloring until you get the color you want.
5. After play, store in the refrigerator in a plastic baggie or airtight container.
