- 200 Packets of David's Tea
 - "Organic Blueberry Jam" – Black Tea with Medium Caffeine
This fruity organic black tea is our ode to the blueberry. Long before the "superfood" era, blueberries were called "star berries" and renowned for their healing properties. Dark, sweet and plump, their juicy flavour comes through perfectly in cakes, jams – and this satisfying blend of black tea, elderberries, cornflowers and stevia. It's the perfect companion to your morning toast.
 - "Forever Nuts" – Herbal Tea
You'll go nuts for this herbal tea. With its crunchy almond slices, sweet apple bits and cinnamon bark, this tempting caffeine-free infusion turns a crazy shade of pink when steeped. Why? Because of its hint of earthy beetroot. Deliciously nutty, decidedly addictive, it's one of our all-time bestselling blends.
