CEID Audiology: Berkeley Clinic Information

CEID’s Berkeley Audiology Clinic is located at **1035 Grayson Street, Berkeley, CA 94710**

(Cross street San Pablo Avenue)

If you are driving to our Berkeley Clinic please give yourself enough time for parking.

You can look for parking in front of the clinic, or on the streets surrounding the clinic. We do not have off street parking. San Pablo Avenue has metered parking and there is non-metered, free parking east of San Pablo Avenue.

Once you arrive at the front entrance of our Center, press the round call button and someone will “buzz” you in. Our Berkeley Clinic is located at a specialized center providing education and support services for families and children who are deaf and hard of hearing. You will see what looks like a school and that is because our audiology clinic is one part of CEID’s comprehensive services. Once you get “buzzed” in, please make your way to the clinic waiting area where you can get checked in.
