

June 24th Jessica Circle Time Activities

1. [Click here to watch today's circle time video](#)
2. Choose an activity to do with your child (click on the links underlined)

- Create a building busy bag with blocks and combine math and building together. Please see attachment for directions and print out
- [Watch a video of children signing "London bridge is falling down" while figuring out how to build a bridge](#)

- [ASL story time – Not a Box by Antoinette Portis – A story of a bunny with a box and an imagination to build whatever he thinks in his mind despite what the outside world sees](#)
- Take dry sponges and cut them into shapes children can build with

- Build and blow it down activity from Davana - attached
- Pretzel building snack from Davana - attached

Kelli's Occupational Therapy Activities

Hi CEID families,

This week's OT activities using the 'Bridge' theme help children develop and strengthen their pincer grasp.

The **pincer grasp** is the coordination of the index finger and thumb to hold an item. Each time you hold a pen or button your shirt, you're using the **pincer grasp**. This is an important milestone in fine motor development for children that will help them in writing, dressing and everyday activities such as using a key. Have fun with these!
