15 Chores Preschooler Can Do

Helping out around the house is a normal part of being in a family. And for preschoolers, getting to help like the grown-ups do can seem as wonderful as a trip to the toy store. Unfortunately, what's tough for most parents is finding stuff that a preschooler can do without creating a bigger mess or requiring constant help.

Here are fifteen ways you can let your preschooler get involved in doing regular chores. Remember, you'll need to do a little initial training; show and explain, in simple terms, how to do a chore several times, and be available to help. Your children will catch on quickly. Be sure to give lots of praise when they do it all be themselves.
